## Classroom Connection Testimonials

"As a school administrator my goal was to find a website that was all encompassing. Our school website through Classroom Connection is just that tool…from lunch accounting, attendance to grade book tools all in one stop…allows me to be a better communicator to families...and the parent portal available for each of our families' use...allows greater ease for teachers, parents and students."

Mike Moch, Principal, St. John the Baptist Catholic School

"...our school's website meets the needs of our staff, students and parents...ease of use...recording, accounting and reporting features..."

Kevin Chapman, Administrative Assistant, St. John the Baptist Catholic School

"...a huge asset to St. John's extended day program... made the accounting process so much easier...families can see what they have been billed for and what they have paid for at any moment on line... notification of their account balance easy, with the click of a button they all receive an email with their balance... print out each family's account for tax or work reimbursement purposes...highly recommend this innovative software program for your school or business!"

Colleen King, Director, St. John's Kids of the Kingdom

"...helped me to be much more organized in my work...access and track everything from our grade book, to attendance, to communication with parents has been fabulous...having these items available to update at home and at school has been great...helped communication between parents, students, and teachers ...improved the way I teach."

Amanda Steiskal, 5th Gr Teacher, St. John the Baptist Catholic School

"...can all be done online...check a student's grade at home...respond to a parent's email...report card utility will take the grades I have entered and automatically enter them into the report card...I don't have to do double the work!"

Tiffany Christensen, 3rd Gr Teacher, St. John the Baptist Catholic School

"...depth, scope and efficiency...absolutely amazing...lunch count, attendance, grades, and parent communication...easy to manage...efficient...recommend this for any teacher at any grade level!"

Debbie Moss ,1st Gr Teacher, St. John the Baptist Catholic School

"...great resource for our family...easy to...informative and current..."

Mary Cunningham Parent St. John the Baptist Catholic School

"...very quick and easy means of keeping track of student progress via the gradebook...allowing us to communicate this progress to parents and students...allows me to create my home page so that it is relevant to my subject area..."
